STATOTHR

1. This memorandum is forwarded pursuant to your oral request for a report on the status of a claim submitted by [Redacted]. The claim was submitted as a result of an accident which occurred on 30 May 1950.

2. In a memorandum dated 13 October 1950, the Legal Staff advised the Acting Executive, CIA, that he had authority to approve the claim submitted by [Redacted].

3. The Legal Staff has been informed that the Acting Executive forwarded the claim to the Fiscal Division for further processing. As of this date, the Fiscal Division has returned one of the necessary forms to the claimant because he failed to sign the reverse side. However, it apparently is only a matter of time until the claim is finally approved and settled.
